

**health for all**  
Changing Lives, Transforming Communities

## Transport for the Community

Health for all provides a quality and reliable minibus transport service to Social, Educational, Voluntary and not for profit groups throughout the Leeds and surrounding areas.

Our CRB checked and MIDAS trained drivers are professional, smart and committed to making your journey safe, reliable, comfortable and enjoyable.

We endeavour to maintain the highest standard of service whilst keeping our charges low.

We can offer our transport service to any qualifying group seven days a week including evenings at no additional cost.
