Seeing potential

Safe and fair recruitment forum

Come and find out how to safely and fairly recruit people who experience barriers to employment, including people with convictions.

Tuesday 24 March 2020
in Leeds

This event will help delegates to:

- understand the benefits of open recruitment
- improve the diversity of their workforce
- learn how to recruit people safely and fairly from different backgrounds (including people with criminal convictions)
- find out how to access further support from Skills for Care, Leeds City Council 'Step into Care' and DWP to address workforce supply challenges.
